Rebuilt by Stick The Landing on 20/10/2026 from the GV file 'TEAM - WAG Level 4 Division 1 B.pdf' (printed 16/10/2026 8:44:22 AM). That file was an All Levels report: the 8 Group A teams and 5 single-apparatus rows carrying Level 3 Division 2 scores were removed, leaving the 8 teams that competed in Group B. Scores are unchanged; overall and apparatus ranks recalculated within Group B.
